

Qwixx ON BOARD **NEW**

... because it's just fun!

The prize-winning original version of Qwixx is great. And now, with a game board, it offers even more playing possibilities! What is more, the original rules remain completely the same. Move your pieces forward, occupy spaces, tactically cross out numbers, avoid misrolls – and complete the game point by point. Amazing.

A must for all fans of Qwixx!
