

... because it's just fun!

Diceland

Diceland is a race. Diceland is totally easy. And dice land is very much fun. Nothing has to be calculated, there are no victory points. Who first reaches nine treasure fields wins. As always in our dice games, there are no waiting times. One player rolls the dice and everyone is on turn. Tension and emotions are guaranteed and a total of four reusable game plans, printed on both sides, provide a lot of variety. Winning can be so easy!
