

... because it's just fun!

The BORDER

Close your borders, complete your areas and collect victory points. Nine areas have to be enclosed by ticking border fields. Whether well or castle, the first player to enclose one of the areas receives extra points. No one has to wait long: all the dice that the active player does not use, are left for the other players.

THE BORDER offers a great dice game with simple rules and an exciting mix of planning and risk.

... because it's just fun!

Instructions included in the following languages

Age: from 8 years

Player: 2 - 4

Playing Time: approx. 30 minutes

Authors: Michael Kiesling,
Reinhard Staupe
