

... because it's just fun!

**That easy!  
That ingenious!**

**Building towers,  
will bring you the  
big points**

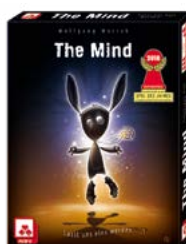

The amazing world of Qwixx got something new and exciting: directly encounter your opponent! Both players are bringing up tokens on the game board. In every row, the foremost stone, can be beaten by the other player. Only towers are not to be touched. Rushing ahead, kicking out, doubling and outpacing. Giving and taking all the time and everything is possible. More exciting than ever. Ingenious like always.
