SPLITTER

SPLITTER

When two halves make a whole!

As a new Roll & Write game SPLITTER promises a whole new challenge with simple rules and a dash of symmetry. And, as always, without waiting time. One player rolls the dice and everyone writes down the two numbers.

The only rule: The numbers rolled must be entered symmetrically to the center axis. Depending on how cleverly the numbers are placed, the two halves form a whole at the end.
Ingenious!
