# QWIXX Big Points

The QWIXX variation for even more points!

## Big Points

If you love Qwixx – you will play it over and over again. Trying new tactics, cross out more numbers, getting more points. And right here gets the new additional version “Qwixx Big Points” in. With this you really can get the big points. A total of 120 points are possible for each row. And the best thing: the original rules of Qwixx are staying the same. New are just 2 extra rows that can be marked in addition. Every bonus field counts for both colours. Higher, faster, wider – for maximum gameplay.
